

Bush Sunflower (*Encelia californica*)

Sticky Monkeyflower (*Mimulus aurantiacus*)

Bush Mallow (*Malacothamnus fasciculatus*)

Coral Bells (*Heuchera* spp.)

Yarrow (*Achillea millefolium*)

California Aster (*Aster chilensis*)

The plants in this guide are host and nectar plants for the Orange County native butterflies within the ENC Butterfly House. All butterflies and plants showcased in the Butterfly House are commercially raised Orange County native species.

The ENC does not recommend nor condone the collection of animals or plants from the wild.

The ENC thanks the photographers whose work appears here: Basín & Range Watch, California Flora Nursery, Paul Cox, Eric in S.F., Charles E. Jones, MontclairOak, Keir Morse, oldmantravels, Soquel Nursery, Lynn Watson, Yerba Buena Nursery, and Andrew Ziem.
